Regulation 16 Consultation

Lewes District Council is consulting with its residents, groups and relevant stakeholders to prepare its new Local Plan and provide a planning framework for our plan area up to 2040, so that it is green, inclusive and a beautiful place to live and work.

The new Local Plan will help ensure that our plan area provides the homes, jobs, community facilities and services to meet the needs of people living, working in and visiting the plan area sustainably.

The 'Defining our policies and early site allocation proposals' consultation document is the next step under Regulation 16 and includes all strategic matters set out in the previous consultation, which have been developed taking into account your comments, further evidence and early proposals for site allocations as well as the detailed thematic policies.

You can access the consultation document and all supporting documents on this site.

Alternatively, you can download a PDF version of the consultation document below:
